Highland Opportunity Limited offers loans at interest rates lower than commercial bank rates, currently set at 5% on outstanding amounts, to new and growing businesses in the Highland Council area of Scotland.

Loans from £1,000 to £10,000 are unsecured; from £10,001 to £20,000 security may be required; from £20,001 to £30,000 security will be required. Security will normally be taken on a business asset, not the client's home.

Repayment periods up to 7 years are acceptable, depending on loan size.

Application forms are available from Highland Opportunity's offices or can be downloaded from the Download Forms Page of our website, www.highland-opportunity.com

Prior to considering a loan application, Highland Opportunity will arrange a visit from a Business Advisor to go over the business plan in detail. The reports of the Business Advisor will be considered by the board of Highland Opportunity as part of the application process. The Board's decision is final.

Clients should be aware of the fact that a loan award will be made public information by the Highland Council, as the owner of Highland Opportunity.
